Dear Mr. Chairman:

On Tuesday, February 20, 2007, our staffs had a productive meeting regarding the Council on Environmental Quality's ongoing document production to the Committee on Oversight and Government Reform. We are writing to confirm that CEQ has committed to the following:

- CEQ will produce approximately one box of documents per week.
- CEQ will try to complete the production by March 30, 2007, and will, at a minimum, provide most of the responsive documents by then.
- If CEQ has not completed production by March 30, 2007, it will complete the production (subject to resolution of any disputes or issues) by April 15, 2007.
- During the period of production, there will be ongoing discussions between the staffs to attempt to resolve any disputes or issues that may arise.
- CEQ will provide the requested CEQ organizational chart, or equivalent information, by March 2, 2007.

Thank you for your efforts to cooperate with the Committee's investigation.

Sincerely,
